www.uhcl.edu

Sun Rings

performance by the **Kronos Quartet**
8:00 p.m., Thursday, January 23, 2003
Wortham Center's Cullen Theater, Houston
For tickets, call 713/227-4772 or visit www.spahouston.org

Sun Rings is a multimedia collaboration between art and science commissioned by the NASA Arts Program and co-commissioned by the Society of the Performing Arts, University of Houston Clear Lake, Hancher Auditorium, University of Iowa, the National Endowment for the Arts, The Rockefeller Foundation, and other music-presenting organizations.

**NASA Arts Program Coordinator Bert Ulrich, project advisor University of Iowa Prof. Don Gurnett, and Kronos Quartet artistic director David Harrington will discuss their respective roles in the production of 'Sun Rings.' Sample sounds of space can be heard at www-pw.space.physics.uiowa.edu/space-audio.*
