

COOKIE DOUGH!

It is now time for our big COOKIE DOUGH FUNDRAISER! Now, I know what you are going to say...."oh no....here we go again!"....but to be honest...the parents have actually requested this fundraiser! The cookies are delicious and easy to prepare, especially during the holidays! We have done this cookie dough fundraiser for the past 3 years and it has been a great success. Each room will get to keep the profits earned by their room parents to purchase toys/supplies for their room. The more cookie dough you sell for your child's room the more money to play with! Please order extra dough if you think there is any chance you would like more in the future. We can not order extra dough after the end of the sale. Thank you for your support!
