

Space Flight Awareness Awards honor Space Station contributors

By Kendra Ceule

Space Flight Awareness (SFA) honored dozens of Johnson Space Center employees on Nov. 20 for their contributions to the International Space Station. The SFA Awards were presented in the Teague Auditorium just before the Space Station's 5-Year Anniversary Celebration at Space Center Houston.

On hand to present the awards were Space Station Program Manager Bill Gerstenmaier, Associate Administrator for Space Flight Bill Readdy, Deputy Associate Administrator for Space Flight Gen. Michael Kostelnik and Manager of the Space Station Program's External Relations Office Brian Kelly.

Awards were presented to the individuals and teams listed below.

Individual Leadership awards

The SFA Leadership Award recognizes outstanding leaders who exemplify and demonstrate the following characteristics: loyalty, accountability, diversity, excellence, respect, sharing, honesty and integrity. The recipients were:

Susan L. Creasy

Manager, ISS Mission Integration and Operations Office

Mark S. Geyer

Manager, ISS Program Integration Office

William C. Panter

Manager, ISS Avionics and Software Office

Charles J. Precourt

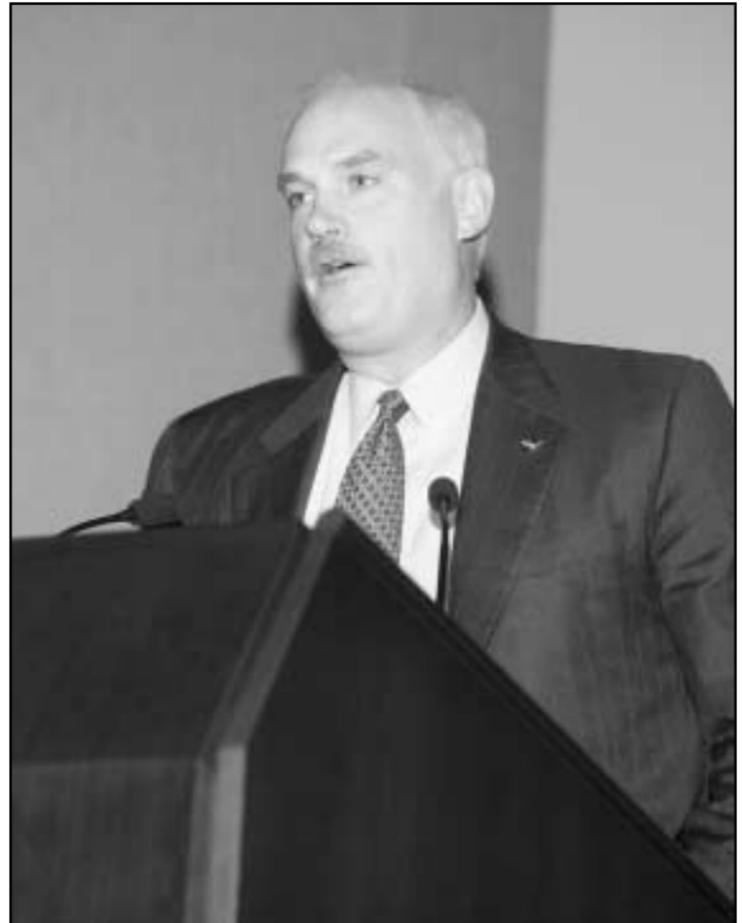

Deputy Manager, ISS Program

Michael T. Suffredini

Manager, ISS Operations Integration

John "Tip" Talone

Director, ISS Payload Processing Directorate

Bill Readdy, Associate Administrator for Space Flight, addresses the award winners and guests at the Space Flight Awareness Awards ceremony.
