Director's Message

**2**

How the STS-107 crew inspired us

**3-9**

Mountain peak dedicated

•

NASA thanks East Texas communities

**10**

Elementary school dedicated

**11**

An artistic tribute by Dave Russell

**12**

## A higher place

This photograph was placed on Columbia Point, a 13,980-foot mountain peak in Colorado's Sangre de Cristo Mountains, which was named for the Space Shuttle and her crew.
